

WELCOME TO THE
WORLD OF
INNOVATION

Driven by
innovation,
measured by
trust.

कलर्स में, गुणवत्ता पर हमारा बेजोड़ फोकस, निष्पादन में सूक्ष्मता और विविध श्रेणी ने हमें उद्योग में सबसे आगे स्थापित करने में मदद की है। आज, हम अंतर्राष्ट्रीय गुणवत्ता वाले उत्पादों के निर्माता होने पर गर्व महसूस करते हैं जिनकी भारत में कल्पना, डिजाइन की गई और निर्मित किया गया है।

१९७० में, भारत में कलर्स की एक छोटी व्यापारिक कम्पनी के रूप में स्थापना की गई, जो विद्युत के सामान का व्यापार करती थी। समय के साथ अपनी कार्यप्रणाली से, कम्पनी ने धीरे-धीरे घरों, कार्यालयों, कारखानों, हवाई अड्डों और होटलों के लिए विद्युत स्विच और फ़िक्स्चर के क्षेत्र में अपने कदम रखे। आज, कलर्स ने हर कल्पनीय बाजार खंड के लिए सभी प्रकार के स्विच, साफ़ेट, एमसीबी, प्लग टॉप, वायर्स और केबल्स, लैम्प होल्डर, डोर बेल, डिस्ट्रीब्यूशन बॉक्स, होम ऑटोमेशन और मार्केटिंग बॉक्स के निर्माण से उद्योग में अपनी एक अलग पहचान बनायी है।

हिमाचल प्रदेश और उत्तराखंड में ४ अत्याधुनिक उत्पादन प्लांट्स, १० डिपो, ३००० चैनल पार्टनर्स और १५०० कर्मचारियों के साथ कलर्स पूरे भारत में मौजूद है और अनगिनत लोगों को विश्वस्तरीय उत्पाद प्रदान कर रहा है।

गुणवत्ता, परिष्कार और शैली का अनुसरण हमें उद्योग के शीर्ष की ओर ले जाता है। हमारे उत्पादों की विस्तृत श्रृंखला कुछ ऐसा प्रदान करती है जो जीवन शैली की हर शैली के अनुरूप हो। हमारे इन्ोवेशन अग्रणी दृष्टिकोण और प्रवीणता ने हमें विश्व स्तरीय गुणवत्ता वाले उत्पाद प्रदान करने में मदद की है जो भव्य जीवनशैली और भारी श्रेणी दर्शाती है। हमारे प्रयास का नतीजा वास्तव में पुरस्कृत हुआ है जैसे - भारत डिजाइन मार्क से दो बार सम्मानित होना।

At Kolors, our unmatched focus on quality, finesse in execution and varied range has helped us establish ourself at the forefront of the industry. Today, we hold great pride in being the creators of international quality products that are conceived, designed and manufactured in India.

It was in the year 1970 when Kolors was established as a small trading company that traded electrical wiring accessories in India. During its course, the company gradually laid its foot in the arena of manufacturing electrical switches and fixtures for homes, offices, factories, airports and hotels. Today, Kolors has made a mark in the industry by manufacturing all types of switches, sockets, accessories, MCBs, plug tops, wires & cables, lamp holders, door bells, distribution boxes, home automation and mounting boxes for every imaginable market segment.

With 4 state-of-the-art manufacturing plants in Himachal Pradesh and Uttarakhand, 10 Depots, 3000 Channel Partners and a workforce of 1500, Kolors has achieved pan-India presence making international standard products accessible to a sizeable audience.

The pursuit of quality, sophistication and style drives us in our journey towards the peak of the industry. Our wide range of products offer something that would suit every style of living. Our innovation-led approach and proficiency has helped us provide world-class quality products that reflect grandeur living and sheer class. The outcome of our endeavour has been truly rewarding – being honored with the India Design Mark twice.

KULT
HOME
AUTOMATION 

Touch the future of tomorrow

Enchant your interiors
with awe-inspiring innovation.

A spectacular new addition in the house of Kolors, the stunning range of Kult Home Automation products is designed to make life simple and convenient through next-gen technology. Available in two glass shades - Black and White, these are bound to delight the admirers of a high-end lifestyle. These are available with Matt Black, White and Chrome bezel.

Aiming to revolutionize the way switches are looked at, with Kult, a switch is no more a switch, it's a nerve center of daily activities – from controlling the lights to designing the mood of your home as per the occasion even while you are in a different corner of the world. With the right blend of innovation and high-end technology, these can be operated through human touch and mobile application which can be operated at local and remote location. Adding the finest touch of luxury, aesthetics and convenience to any space, the Kult Home Automation system can be retrofitted with Kolors Kredo, Klassic, Kara, Krest, Kulture cover plates in any conventional wiring system.

Being modular in nature, these products can also be used along with other Kolors Krest accessories fitted in the same cover frame like Sockets, USBs, Switches etc. Kult gives you real time, quick and reliable control over your home through the mesh network created on Zigbee protocol specially crafted for Home Automation.

Making convenience as delightful as it could get, this future-ready product is a solution for access control, monitoring air quality, lux levels and room temperature.

Fall in love with
stylish living.

To make life easy for you, the next-gen Kult offers an array of features that let you relish the perks of smart living.

- Light Controls
- Blind Controls
- Air Condition Control
- Security Camera Monitoring

KIĀN®

A perfect blend of aesthetics and technology, these create awe with their stunning looks and never-before features.

Traditional
designs,
modern-day
solutions.

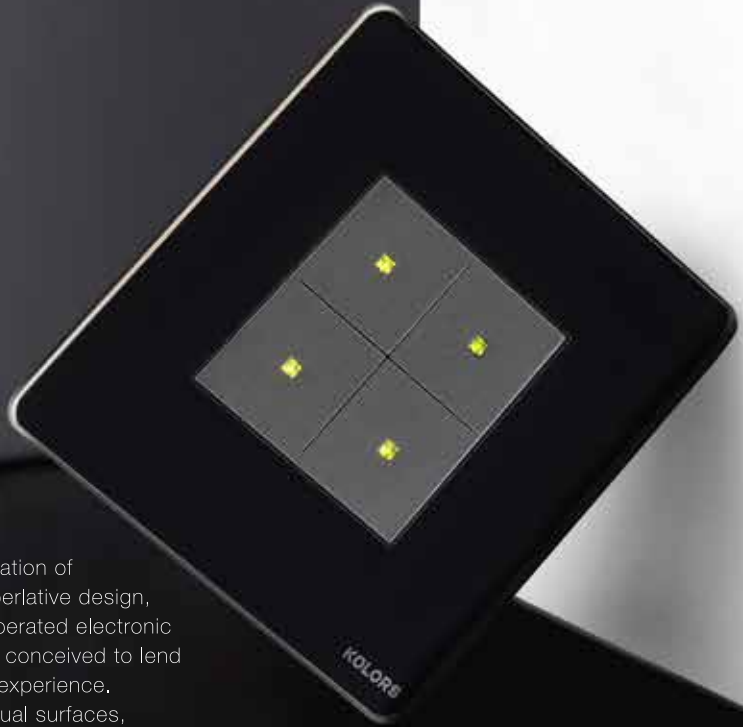

Presenting the first-of-its-kind, Kian switches in the most traditional wooden frame. A fine blend of conventional design and contemporary features, these add a modernistic yet traditional touch to your spaces.

A varied range of electrical solutions.
Weaved together as one.

Elegance now
finds a home in
stylish spaces.

A seamless combination of technology and superlative design, Kuadra is a push operated electronic switch meticulously conceived to lend one-of-a-kind user experience. Divided into four equal surfaces, it enables the user to have four switches instead of two in the same module thus saving space and lending a modish look to the interiors.
